Re: Nomination – Prestige Design Studio

It is my esteemed pleasure to recommend **Prestige Embroidery Studio** for the GMSDC **“Supplier of the Year, Class I Award”**.

I have known Elayne Leathers-Hill for the past decade. During this time, I have had the opportunity to view Elayne through several lenses:

- As her client
- As a member of two organizations with her – GMSDC and The Atlanta Business League (ABL)
- As a member of the ABL’s “Super Tuesday” committee with her as the Co-Chair of the committee

In each of these scenarios, Elayne has met and exceeded expectations. Her willingness to please, ability to synthesize information and understand objectives, professionalism, ability to get the job done, and her sincerest graciousness all equal to wonderful experiences in dealing with her and the team at Prestige Design Studio.

The GMSDC **“Supplier of the Year – Class I Award”** is prestigious, and will be a most deserved honor to bestow upon Prestige Design Studio.

You have my warmest wishes for success in your committee deliberations, and I thank you for your serious consideration of Prestige Design Studio.
