**Reference: Nomination for GMSDC's 2003 Minority Supplier of the Year, Category I**

Ladies and Gentlemen,

It is with great pleasure that I nominate Ms. Elayne Leathers-Hill and Prestige Design Group, Inc. for recognition as GMSDC's "2003 Supplier of the Year Category I".

For several years, I have had the satisfaction of working with Elayne to meet my needs for specialty advertising items. Elaine has provided high quality shirt and cap products complete with company name and logo to our business on a consistent basis. The work is always superb and finished in a timely manner.

Elayne and Prestige exemplify those traits that make for successful businesses. They consistently deliver a high quality product at competitive price levels while offering a superior level of service.

Elayne has supported the efforts of other minority businesses as well and has been involved with the work of the GMSDC for several years. Her company is very worthy of this recognition.

We will continue to work with Elayne and Prestige Design Group, Inc. on our specialty advertising and uniform needs in the future.

Sincerely,

Clarence W. Robie  
President
